Informed Consent for Telehealth Services

Definition of Telehealth: Telehealth involves the use of electronic communications to enable Anthony Hampton, LISW-CP to connect with individuals, groups, couples, and families using live interactive video and audio communications. Telehealth includes the practice of psychological health care delivery, diagnosis, consultation, treatment, referral to resources, education, and the transfer of medical and clinical data.

I understand that I have the rights with respect to telehealth:

1. The laws that protect the confidentiality of my personal information that I have already signed also apply to telehealth.
2. I understand that I have the right to withhold or withdraw my consent to the use of telehealth in the course of my care at any time, without affecting my right to future care or treatment.
3. I understand that there are risks and consequences from telehealth, including, but not limited to, the possibility, despite reasonable efforts on the part of the counselor, that: the transmission of my personal information could be disrupted or distorted by technical failures, the transmission of my personal information could be interrupted by unauthorized persons, and/or the electronic storage of my personal information could be unintentionally lost or accessed by unauthorized persons. Anthony Hampton, LISW-CP utilizes secure, encrypted HIPAA compliant audio/video transmission software to deliver telehealth (SimplePractice)
4. Anthony Hampton, LISW-CP follows the State of SC Regulations for tele-health 40-47-37 as well as their respective board regulations (NBCC/ACA or SCLLR) and ethics.
5. By signing this document, I agree that certain situations, including emergencies and crises, are inappropriate for audio-/video-/computer-based and cellphone-based psychotherapy services. If I am in crisis or in an emergency, I should immediately call 9- 1-1 or seek help from a hospital or crisis-oriented health care facility in my immediate area.

Payment for Telehealth Services:

Anthony Hampton, LISW-CP will bill insurance for telehealth services when these services have been determined to be covered by an individual's insurance plan. The standard copay and/or deductibles will apply. In the event that insurance does not cover telehealth, it is understood that the client will be expected to pay for services at the established insurance reimbursement rate.

Anthony Hampton, LISW-CP can provide you with a statement of service to submit to your insurance company.
